[1] FROM AIRPORTS TO TURIN

[1.1] TURIN CASELLE AIRPORT

▪ **BY BUS**

The regular bus service between Turin airport and Turin city centre has several stops enroute, including Porta Susa railway station and Porta Nuova railway station (final stop). We suggest to alight at Porta Nuova railway station.

One-way ticket: € 5,50

Journey duration: approximately 40 minutes.

Detailed bus timetable at <http://www.sadem.it/upload/orari/estivi/000027.pdf>

For further information: SADEM Bus Shuttle. Phone: +39.011.2272022.

* **Airport to city centre:**

Departures location: Arrivals level (look for blue bus)

Timetable: from 06:05 am to 00:05 pm

Where to buy tickets: Tourist bureau, ticket office, ticket machine (Arrivals level); and onboard (+ Euro 0.50 extra-charge)

A railway service connects the airport to Turin (GTT Dora Railway Station). Currently, transfers from this station to other trains are very inconvenient. We rather strongly suggest to take a bus from the airport to Porta Nuova.

▪ **BY TAXI**

The taxi rank is located on the left at the exit of the Arrivals level.

Taxi fare to Turin city centre: about € 30

Journey lasts approximately 30 minutes.

Taxi fare to Moncalieri: about € 65

Journey lasts approximately 45 minutes

In addition, CTA (Airport Taxi Company) provides a 24-hours private taxi/van/limousine service. For information: +39.011.9963090 and <http://www.ctataxi.it/homeENG.htm>

▪ **BY CAR**

The airport hosts the most important car rental companies, located inside the multistorey car park and in the Arrivals lounge. For further information:

<http://www.turin-airport.com/EN/aeroporto/default.php?opt=rent-a-car>

For driving directions: <http://www.turin-airport.com/EN/aeroporto/default.php?opt=auto>

[1.2] MILAN MALPENSA AIRPORT

▪ **BY BUS**

The best way to reach Turin from Malpensa is by bus, since there is no direct train connection. If you take the bus, alight at Porta Susa railway Station (bus stop "Torino -

Corso San Martino / Piazza XVIII Dicembre - Porta Susa"). Note that the Malpensa bus does not stop at Porta Nuova Railway station.

One-way ticket: € 18

Where to buy tickets: Arrivals level of both terminals (in Terminal 1 between exits 4 &5)

Departure: the coach departs from the bus stop Nr. 18, right outside exit 4 in Terminal 1.

Journey duration: approximately 2 hours, depending on traffic conditions

See bus timetable at <http://www.sadem.it/upload/orari/estivi/000020.pdf>

▪ **BY TRAIN**

If you prefer to travel by train, please note that this will be a much longer journey. In this case either

- take Malpensa Express train from Airport to Milano Nord Cadorna, then the underground (in front of the station main entrance), green line, to Milano Central Station ("Stazione centrale")

or

- take Malpensa Shuttle from Airport to Milano Central Station. Timetable and ticket fares can be checked at <http://ticketonline.malpensashuttle.it/inglese/pagine/default.cfm>

In both cases then

- take a train from Milan Central Station to Torino Porta Nuova. Timetable and ticket fares can be checked at http://www.ferroviedellostato.it/homepage_en.html. Note that the fastest train connecting Turin and Milan is named "Frecciarossa".

[1.3] MILAN LINATE AIRPORT

From Milan Linate, reach Milan Central Station (by taxi or by bus) and, then, take a train to Turin.

▪ **Milan Linate to Milan Central Railway Station**

A shuttle service connects Linate Airport with Milano Central Station.

One-way ticket: € 4.00

Journey duration: approximately 30 minutes.

* **Linate Airport to Milan Central Station**

Departures from: Arrivals level

Timetable: buses leave every 30 minutes, from 6.05 a.m. to 11.45 p.m.
